

STREET SURVIVAL

Officer Testimonial:

"You guys are great. I made it a practice in my old department to require Street Survival training as mandatory training for all my commissioned officers, to be repeated every 3-5 years. I intend to do the same thing here. It is vital training and should be required by every Law Enforcement agency, in my opinion."

Chief Gordon Wiborg Jr.
Snohomish, WA

Survival Toolbox:

- Tactical awareness
- Sound, controlled decisions
- Mental preparation
- Control techniques
- Armed encounter preparation
- High risk stop skills
- Criminal body language interpretation
- Deadly force readiness
- Less than lethal force options
- A warrior mindset
